**District Requirements**

Yreka Union High School District acknowledges the need for responsible drivers to provide transportation services for school activities and related business. To ensure that transportation services will be provided in a safe, efficient and cost effective manner, all drivers must comply with the following requirements:

1. The driver must be at least age 21 to drive for business purposes and age 25 if transporting students, possessing a valid California driver's license, and have been continuously licensed for a minimum of 3 years.
2. Driver must be free of any medical condition that may affect his/her ability to operate a vehicle.
3. No alcohol or drugs will be consumed prior to, or while operating the vehicle.
4. The number of passengers shall not exceed the capacity for which the vehicle was designed.
5. No one may transport more than nine passengers plus the driver in any vehicle.
6. Transportation is limited to District business and/or transportation of students and approved chaperones for educationally based activities, sports and field trips.
7. All occupants must wear seat belts whenever the vehicle is in motion.
8. All students who are less than 6 years of age or weigh less than 60 pounds must be properly secured in a rear seat in a child passenger restraint system meeting applicable federal motor vehicle safety standards.
9. The use of cell phones, walkmans, pagers or other electronic devices while driving is prohibited.
10. Smoking a pipe, cigar or cigarette in the vehicle is prohibited.
11. The driver accepts the added responsibility that comes from carrying extra individuals and, therefore, will be conscientious in obeying all driving rules and regulations set forth by the State of California. The California Supreme Court has eliminated the protection of the former California Guest Law; therefore, a guest passenger may sue his/her host owner/driver.
12. Driver must have an acceptable driving record as determined by the Yreka Union High School District policy. The Yreka Union High School District reserves the right to require a current H6 Motor Vehicle Report (10 year MVR) for driver eligibility.
13. If the above conditions change and/or cannot be met, I will no longer participate as a driver until the requirements can be met.
